### A WORD FROM OUR PRESIDENT

ERIC HAMPTON

In the April meeting we were able to fill all open Board member spots, as well as, committee chairs. The Vice Present position is still vacant, but I have spoken with someone that might be interested.

I am very pleased the number of residents that have not paid there dues is getting smaller every day. The finance committee is sending out final notices over the next few weeks to those residents who still have not paid their dues and liens will be filed on those in which we do not receive payment. If you still have unpaid dues, we ask that you send your payment as soon as possible to avoid any further action.

## PRESIDENT'S MESSAGE CONTINUED

On a more positive note the fountains are up and running. I would like to thank Eddie Cinnamon, a good friend of mine and a resident of Adams Run for his help with cleaning and getting the pumps hooked back up. The water meter has been turned on for all fountains. We are still working on getting the irrigation turned on to find out just how much damage has been done, if any at all. I would like to say thanks to those people who stopped by while we were working to thank us for the work we were doing. I look forward to the clean up day when we can all get together and finish sprucing up the neighborhood.

For any questions or comments please contact us by our mailing address or the Adams Run web site.  
Thank You
